Bluffton Police Investigating Homicide

Who:

Bluffton Police Department, Investigations Division

What:

Homicide

Where:

1225 May River Road

When:

January 3, 2016 at 4:15 p.m.

Investigators with the Bluffton Police Department continue the investigation into Jon Kinlaw's homicide through surveillance pictures of what is believed to be the suspect's vehicle pulling out of the parking lot where the shooting occurred.

The picture was taken from one of the twenty-two surveillance cameras police placed in Old Town last fall. "One of the main purposes of the cameras is to allow us to gather information or evidence if a crime is committed. In this case, the pictures have provided the investigators with information they may not have otherwise had access to," said Bluffton Police Chief Joey Reynolds.

Today, police are actively searching for the suspect as well as conducting interviews with those who may have information about the murder.

Anyone who was in the area at the time of the shooting and may have seen the vehicle pictured below is urged to call Lt. Joseph Babkiewicz at or Sgt. Kelly Heany at (843) 706-4560.
